

FIDUS INDIA AUTOMATION PRIVATE LIMITED

"MRO and Aggregator of All Global Industrial Brands"

Founded in 2011, FIDUS INDIA AUTOMATION Pvt. Ltd. embarked on a mission to meet the global demand for a wide range of industrial goods. Over the years, we have earned the trust and experience necessary to consistently meet and exceed our customers' expectations.

FIDUS INDIA AUTOMATION PVT LTD is a prominent exporter, importer, and supplier of renowned international brands. Our extensive product portfolio includes electrical components such as relays, sensors, HMIs (Human Machine Interfaces), and PLCs. We also offer mechanical components including pneumatics, hydraulics, motors, controls, valves, power transmission, drives, belts, bearings, bushings, welding supplies, equipment, tubing, hoses, fittings, springs, shock absorbers, seals, packing, and O-rings.

In the realm of industrial machinery, we provide conveyors, transfer machines, and pumps. Our tools and equipment range encompasses power and hand tools, electric and general measuring equipment, tooling components, cutting tools, and abrasives.

Additionally, we supply miscellaneous items such as stationery, packaging materials, and various machinery and systems.

Our global reach allows us to engage in business dealings worldwide, ensuring that we cater to the diverse needs of our clientele. At FIDUS INDIA, we are committed to delivering high-quality products and exceptional service, making us a trusted partner in the industrial sector.

OVERVIEW OF OUR CLIENTELE

Discover the diverse sectors we serve

Leading manufacturing industries

We proudly serve major players in the **manufacturing** sector, ensuring high-quality automation sourcing that enhance productivity.

OEMs in automation

Our partnerships with **OEMs** allow us to integrate cutting-edge technologies, driving innovation in the **automation** landscape.

Global suppliers and distributors

We collaborate with **global suppliers** and distributors, expanding our reach and providing seamless service across various regions.

OEM AUTHORIZATIONS AT FIDUS INDIA

Ensuring supply of genuine, top-quality products from leading manufacturers

Authorized OEM Partnerships

- FIDUS INDIA AUTOMATION PVT LTD. has established strong partnerships with multiple **OEMs**, ensuring access to high-quality products.

Supply of Genuine Products

- Our authorizations guarantee the **supply** of **genuine, top-quality** products, enhancing trust and reliability with our customers.

Diverse Product Range

- The wide range of products available through our OEM partnerships caters to various industries, meeting diverse client needs.

Quality Assurance

- Each product supplied under OEM authorization is subjected to strict quality assurance standards, ensuring optimal

Enhanced Customer Trust

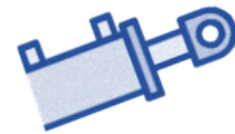

- By sourcing from authorized **OEMs**, we foster enhanced customer trust and satisfaction through reliable product offerings.
